

# S E N D O

Committed to improving the South End through community development strategies

## Press release- For immediate release

SENDO, South End New Development Organization  
1026 Tudor Ave.  
East St. Louis, IL 62207

Fern Watts, President  
618-271-3392

The South End New Development Organization, (SENDO), would like to invite all community members and any concerned individuals to our monthly meetings on the first Wednesday of each month at 5:30 p.m. in the basement of True Light Baptist Church at 1535 Tudor.

SENDO is a non-profit neighborhood association in the city of East St. Louis. We are dedicated to improving the social, economic and physical conditions in the South End neighborhood, through community development strategies.

Architecture, landscape architecture, and urban planning students from the University of Illinois will be involved in the continued development of the Revitalization Plan which addresses organizational capacity, streetscape and infrastructure, parks and open space, community safety, community services, commercial revitalization, and housing development.

Community involvement is vital in gathering current information concerning the redevelopment of South End. SENDO meetings are a perfect opportunity for all community members to take an active role in improving South End.
